FROM A LIQUID

PETITION FOR REVIVAL UNDER 37 C.F.R. 1.137(b)

OFFICE OF PETITIONS
Mail Stop PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The above-identified application became abandoned for failure to timely file a proper reply to the Office letter mailed on June 16, 2004.

Applicant hereby provides a check to the Office of Petitions and/or the Director to cover the petition fee of \$685 pursuant to 37 C.F.R. 1.17(m).

Applicant respectfully submits that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional. Applicant timely responded to the June 16, 2004 Notice of Non-Compliant Amendment on July 13, 2004. A Notice of Non-Compliance was necessary because Applicant had inadvertently omitted claims 38-46 in the claim listing. In the July 13, 2004 response, Applicant improperly designated claims 38-46 as being withdrawn, which they are not. Applicant corrects this omission herein, and updates other

claim designators that were improperly provided. Specifically, Applicant leaves claims 1-14, and 17-23 as previously designated (claim 1 is "currently amended," claims 2-14 and 17 are designated "original," and claims 18-23 are designated "previously presented"); Applicant designates claims 15-16 and 24-37 as "cancelled," and corrects the unintentional improper designation of claims 38-46, designating these claims as "previously presented." (These claims were incorrectly designated as "withdrawn" in the last correspondence to the USPTO.) A listing of replacement claims is attached hereto.

In view of the foregoing, Applicant respectfully requests revival of the above-identified application and the entry of the entire amendment, including the corrected claim designations as delineated herein. If any additional fees are required for this petition, please charge them to the deposit account of the undersigned, Deposit Account No. 04-0566. Any matters that may be handled by telephone are requested to be directed to the undersigned at 203-787-0595.

Respectfully submitted,

Robert Curcio
